Chairman's Comments

Well, Christmas is almost upon us once again, and the committee's thoughts are currently focussed on the club's Christmas Social, especially Pat and John who will be busy preparing the buffet nearer the time.

Selston Parish Hall will be our venue for the Christmas Social, confident that the heating will be more than adequate for us. Long have we endured the inadequate heating of the club meeting hall during the cold months of the year.

Since being informed of the continuous Saturday booking for a dance group, at Greasley, all future club Saturday demonstrations are

planned to be in the Selston Parish Hall.

This year's two Saturday full day demonstrations, in April and October were held at this venue. Using this venue creates a degree of inconvenience, in having to transport the necessary lathe and equipment for the meetings and temporarily store them for a period.

Trevor has been 'beavering' away to finalise the demonstration diary for next year, with another impressive line-up.

Thanks to the efforts of you as a member, this year we managed to

raise £1175 for our charity fund. An impressive amount when you realise that we only attended three venues, Belper Steam Event, Loughborough Woodfair and West Hallam Ploughing and Hedge Laying Society.

We decided early this year we would not be attending Beauvale. In the event, this was cancelled due to the waterlogged ground.

Sadly, this year was the last of the Belper Steam Events. The organisers have decided not to continue with further events.

So, we are looking at other possibilities. One in focus is the Cromford Steam Rally, held in the first weekend of August.

If you have any ideas of events in the summer, please let Trevor know.

May I take this opportunity, on behalf of the committee, to wish you all a very Joyful Christmas and best wishes for a healthy and successful New Year.

Enjoy your woodturning – and think safety.

Robin
